

(e) of Part 1 of the rule, which currently authorizes the imposition of the maximum fine for third and subsequent offenses in the case of a first or second offense if warranted under the circumstances. To give the Exchange greater flexibility in the administration of the rule, the rule is being amended to also authorize the imposition of the fine for a second offense in the case of a first offense, again if warranted under the circumstances. Finally, Paragraph (g) is being amended to cite to Exchange policy rather than a rule with regard to Violation 7 relating to member firm submission of audit trail data.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act in general and furthers the objectives of Section 6(b)(6) in particular in that is intended to assure that Exchange members and member firms are appropriately disciplined for rule violations.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change will impose no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days from June 20, 1995, the date on which it was filed, and the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five days prior to the filing date, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(e)(6) thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. [Release No. 34-35901; File No. CBOE-95-21]

Self-Regulatory Organizations; Order Approving Proposed Rule Change by the Chicago Board Options Exchange, Inc. Relating to Parents of Member Organizations.

June 28, 1995.

On April 18, 1995, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") submitted to the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to Section 19(b) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to rescind Rule 3.7 ("Parents of Member Organizations"), which requires the Exchange's Board to approve each country under whose laws non-U.S. parents of member organizations are organized. The Exchange also proposed to move from Rule 3.7 to Rule 3.5 ("Persons Associated with Member Organizations"), subsection (a), the

requirement that parents of member organizations must furnish certain information to the Exchange upon request. Notice of the proposed rule change was published for comment and appeared in the **Federal Register** on May 10, 1995.³ No comment letters were received on the proposal. This order approves the CBOE proposal.

I. Description of the Proposal

The Exchange is proposing to rescind Rule 3.7. The first paragraph of Rule 3.7 provides that "[a] member organization shall not be an affiliate of a parent organization unless the parent organization is organized under the laws of the United States or such other country as the Board may approve." ("the prohibition"). Additionally, the CBOE has proposed to move to Rule 3.5 the requirement currently contained in Rule 3.7 obligating persons who control member organizations to furnish to the Exchange, upon request, any information reasonably related to their securities business.

II. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, the requirements of Section 6(b)(2)⁴ in that it eliminates restrictions on who may be associated with a member of the Exchange without diminishing the protection of investors and the public interest. Specifically, the Commission believes that the elimination of the prohibition will facilitate the Exchange's review of membership applications submitted by member organizations that have non-U.S. parents, as well as its review of transactions that would result in the transfer of control of an existing member organization to a foreign parent.

The CBOE represents that it has never adopted standards to govern the Board's approval of individual countries for purposes of Rule 3.7. Indeed, the Commission understands the difficulties which may have been encountered by the Exchange in attempting to distinguish one country from another for purposes of Board approval pursuant to Rule 3.7. Eliminating the prohibition is consistent with Section 6(b)(5) of the Act in that it removes an impediment to a free and open market and is practically significant in an era of

increased internationalization of the securities markets.

The Commission believes that the proposed rule change will not diminish the CBOE's continued and adequate regulatory jurisdiction over U.S. foreign parents of member organizations. Notably, Rule 3.4 ("Denial of and Conditions to Membership") provides the Exchange's Membership Committee with broad discretion in granting or denying an application for membership to the Exchange. Moreover, Rule 3.5, as amended by this order, permits the Exchange to bar a person⁵ from becoming or continuing to be associated with a member organization if the person does not agree to furnish the Exchange with information concerning such person's relationship with the member, and information reasonably related to such person's other securities business. Rule 3.5 also subjects persons associated with the Exchange, including parent organizations, to the Constitution and Rules of the Exchange and applicable clearing organization. Finally, the Exchange's authority over parents of member organizations is further enlarged by Rule 17.1 ("Disciplinary Jurisdiction") which subjects persons associated with members to the disciplinary jurisdiction of the Exchange. As a result, the Commission believes that eliminating the prohibition will not hinder the Exchange's ability to adequately regulate its members and associated persons of its members.

It Therefore Is Ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-CBOE-95-21) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷
